Although the abovementioned is the current level of turnover and is closely related to the economic indicators, it may be more or less in future. Consequently, this letter does not serve as a guarantee that the income reflected will continue at the same levels. Where the entity is a start-up enterprise this letter is valid only for contracts with a single value of less than or equal to R10 million. Should the contract value being tendered for be higher than R10 million and less than R50 million, the EME will be required to submit a QSE Verification Certificate with any tender.
